**CIVIL ACTION NO. 6:17-CV-00501-RC**

**ORDER ADOPTING REPORT AND RECOMMENDATION  
OF UNITED STATES MAGISTRATE JUDGE**

Plaintiff James Milton initiated this civil action on September 5, 2017. The case was referred to United States Magistrate Judge John D. Love, who issued a Report and Recommendation recommending that the case be dismissed without prejudice for failure to obey a court order and failure to prosecute. (Docket No. 16.) On February 16, 2019, Plaintiff received a copy of the Magistrate Judge's Report and Recommendation. The Report and Recommendation informed Plaintiff of his rights to object to the Report and Recommendation within 14 days, and further informed him that a failure to timely object shall bar "*de novo* review by the district judge of those findings, conclusions and recommendations and, except on grounds of plain error, from appellate review of unobjected-to factual findings and legal conclusions accepted and adopted by the district court." Docket No. 16 at 2 (citing *Douglass v. United States Auto. Ass'n*, 79 F.3d 1415, 1430 (5th Cir. 1996)). Since the service of the Report and Recommendation on February 16, 2019, Plaintiff has not filed objections and the prescribed time period for doing so has passed.

Having reviewed the findings and conclusions of the Magistrate Judge, the Court agrees with the Magistrate Judge. Therefore, the Court hereby adopts the findings and conclusions of the Magistrate Judge as the findings and conclusions of the Court. It is accordingly **ORDERED** that the complaint is hereby **DISMISSED WITHOUT PREJUDICE**.

So **ORDERED** and **SIGNED** March 19, 2019.
